## Accela Printer Accessories

JNJ Industries offers a complete line of understencil wiping roll and squeegee products for Accela stencil printers. All products are manufactured to the OEM's specifications and are available in both standard and custom. Our clamp style standard squeegee holders are gold anodized aluminum and our lead-free are green anodized aluminum for easy identification. Squeegee holders have a 60° printing angle but are also available in a 45° custom angle upon request. Squeegee blade choices: premium, lead-free and economy metal blades and polyurethane blades.
